EDUCATION

GURU NANAK DEV ENGINEERING COLLEGE

CGPA : 9.15 till 4th sem

July 2025 | Ludhiana

G.H.G KHALSA SEN. SEC. SCHOOL

Percentage : 89.11

March 2020 | Ahmedgarh

D.A.V SEN. SEC. SCHOOL

Percentage : 83.05

March 2018 | Ahmedgarh

COURSEWORK

GRADUATE

Open Source Software Engineering
Object Oriented Programming
Compilers + Practicum
Cyber Security
Computer Architecture and Microprocessor
Computer Networks + Practicum
Machine Learning + Practicum

UNDERGRADUATE

Information Retrieval
Operating Systems
Artificial Intelligence + Practicum
Design and Analysis of Algorithms + Practicum
Database Management System + Practicum

SKILLS

PROGRAMMING

•C •C++ •Python •Java
•HTML•CSS•Javascript
• MERN Stack •Nodejs •Express
•Mongodb •Reactjs •Nextjs •Machine Learning •Android Development •flask
•Firebase •Git version Control •Docker
•MONGODB •MySQL •POSTGRESQL

EXPERIENCE

TRAINEE | Ryaz.io

July 2023 - August 2023

Taking experience in Web Development at RYAZ.io by implementing Projects such as
•ZealNet •Sidhu Coaching Center •Markdown Editor •E-commerce website

Web Development Intern | Suvidha Foundation

Dec 2023 - Jan 2024

•Developed an automatically generate Offer Letter site in Mern stack
https://offerletter-theta.vercel.app/

PROJECTS

SPORTS MEET APP   Aug 2023 - Sep 2023

• Frontend :- Ionic, React
• Backend :- Node js, Express
• Database :- MongoDb

Introducing GNDEC's Sports Meet app, accessible on web and Android. Students can register for events after creating an account, verifying credentials, and providing academic information. Download event certificates upon participation. [https://gndecathletix.games/]

PROCTORED EXAM   Aug 2023 - Sep 2023

• Frontend :- Ionic, React, [https://github.com/Vansh1190/innosprint]
• Backend :- Node js, Express [https://github.com/Rajveer810214/innosprint]
• Database :- MongoDb
•Used Machine Learning Libraries

Introducing a proctored exam tool with advanced features: cheat prevention, window/tab restriction, and face detection. Seamlessly integrates with online meetings, and allows administrators to actively supervise for a secure exam environment."

PERSONAL PORTFOLIO   Nov 2022 - Dec 2022

• Technologies:- React, Node js, Mongodb, Express

"Developed a fully functional portfolio website using the MERN stack. The website showcases my skills and experience in web development, including front-end and back-end development, database management, and API design." [https://rajveersidhu.vercel.app/]

CAUSMIC CLUB WEBSITE   Mar 2023 - Apr 2023

•This site is developed on Drupal

"Crafted a dynamic website for Causmic Club, a college student organization, serving as a central hub for information, events, and membership management. Led end-to-end development, from planning to deployment."
[https://causmic.gndec.ac.in/]

ACHIEVEMENTS

• 400+ solved questions on LeetCode.
• 160+ days of coding streak on Leetcodedaily challenges.
• Consolation prize at Ferozpur Hackathon
• Shortlisted in the hackathon at CGC Jhanjeri conducted by GDG
• Secured 3rd prize in the Web Wizard and 1st prize in business idea presentation at inter-college level.
• Published 3 Articles on geeksforgeeks
